

Sponsor a Pet

By sponsoring a pet, you are providing the vet care every pet under our care receives. Prior to going to a new home every animal is given their vaccinations and spayed or neutered. Sponsoring a pet removes an obstacle some families may have when initially adopting.

It is our goal to provide not only a fully vetted friend but collars, leashes, blankets, food and treats as they leave for their forever home. We can only do this with the help of our sponsors and friends. We thank you in advance on behalf of all the animals who are given a chance because of your donations.

Below are links to Venmo and Go Fund Me where you can make your donation to sponsor a Pet. The cost to fully sponsor a pet is \$200. We will also include your name with the pet when we advertise them and you will be added to the list of our sponsors on our website with a link if you wish.

Please email us at casscountyanimalrescue@gmail.com with the name of the pet you would like to sponsor and so we can confirm receipt of your donation for you.
