

Pets For Vets

Pets for Vets allows you to sponsor the adoption of a pet by a Veteran without having to choose a specific pet. We will make the funds available for the pet of their choice. It does not have to be an animal in our care as long as it is with one of our Partners, we will assist them in adopting the new friend of their choice. By sponsoring Pets for Vets, you are providing veterinary care including vaccinations and spayed or neutered. Sponsoring removes an obstacle some Veterans may have when initially adopting.

It is our goal to provide not only a fully vetted friend but collars, leashes, blankets, food and treats as they leave for their forever home. We can only do this with the help of our sponsors and friends. We thank you in advance on behalf of all the animals who are given a chance because of your donations.
